CHANGES TO DOG STATUTES
House Bill 1422
Effective January 1, 1995

- Local veterinarians will be sending notice of rabies inoculation for those dog and cat owners residing in your town.
- Clerks are responsible for comparing these dog rabies certificates with their licensed dogs and in turn notifying those owners who have not licensed their dog of the law. Clerks should update any appropriate information on licensed dogs.
  Clerks should send a courtesy notice to an owner of an unlicensed dog giving them an appropriate amount of time to come in and license the dog.
- Rabies verifications for cats may be turned over to the health department or local law enforcement agencies.
- Owners of group licenses are now required to provide proof of rabies inoculation for every dog they own.
- Civil forfeitures for unlicensed dogs increase from $15.00 to $25.00.
- Clerks are responsible for following up on those owners who have not responded to their courtesy letter by either notifying their local law enforcement agency or mailing civil forfeiture notices.
- A civil forfeiture notice gives a dog owner 96 hours to come in and pay a $25.00 forfeiture or the local law enforcement officer will be notified to issue a summons to district or municipal court.
- Clerks *cannot charge* the $25.00 civil forfeiture charge without providing written notice to the dog owner in the form of a civil forfeiture.
- Clerks on fees should retain an additional $.50 from the dog license revenue for their compensation. This amount results in a reduction to the town's revenue.
- Clerks may authorize police departments, animal control officers or a humane society to issue licenses.

TOWN AUDITOR'S REPORT

Selectmen, Town of Roxbury
Town Meeting House
Roxbury, NH 03431

This is to certify that I have examined the books for the Town of Roxbury for the year ending December 31, 1995.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectmen and Trustee of Trust Funds. I find that the books and records of the Town reflect its true financial condition as of December 31, 1995 to the best of my knowledge and belief.

I recommend that a Property Record be established to record properties such as guns and vehicles purchased by the Town. I also recommend that the Selectmen, Treasurer, Tax Collector, Town Clerk and Town Auditor work together to better coordinate their duties, and that job descriptions and responsibilities be established to better facilitate smooth operations and transitions.

Respectfully submitted,

Mary Ann Kristiansen
Town Auditor

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1995 our three (3) leading causes of fire were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

1995 Fire Statistics

Forest Ranger Reported Fires		Fires Reported by County	
Number of Fires for Cost Share Payment	465	Belknap	11
		Carroll	50
Acres Burned	437	Cheshire	39
		Coos	17
Suppression cost	$147,000+	Grafton	26
		Hillsborough	71
Lookout Tower Reported Fires	555	Merrimack	49
		Rockingham	106
Visitors to Towers	26,165	Strafford	78
		Sullivan	18

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers, 2 mobile patols and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

ROXBURY POLICE DEPARTMENT

EMERGENCY 352-1100 **NON-EMERGENCY 352-1291**

Complaints were down slightly this year from last year. However, the time spent on complaints and administration time increased by 91 hours and the mileage increased by 700 miles for the year.

Emergency Services
The Roxbury Police Department will handle calls 24 hours a day almost every day, and is within 15 minutes of town at any time day or night. The selectmen have asked me to add some things this year in my report. The Police Department handles most all complaints in town. Because we have our own department, the State Police are called only when one of us is not available. We also have mutual aid contracts with our bordering towns. If I or one of my officers needs help, Keene or Marlborough will come, and likewise, when called upon, I will go to help them. The State Police are spread very thin and take care of two counties – Cheshire and Sullivan. If the town had to rely on State Police only, there could be no agreement with bordering towns. The State Police handle all calls on a priority basis. If the trooper on call lives in Sunapee and it's two o'clock in the morning, you would have to wait for him to get dressed and travel all that distance before you could see an officer. Your Police Department is available almost all the time. Again I ask all of you – if you see something suspicious, call right away. If you can get a license plate number this will help me locate the person responsible for the problem in a timely fashion.

Illegal Dumping
The dumpings were up slightly this year with all cases solved. The areas were cleaned up by the perpetrators.

Cruiser
The town's cruiser had some mechanical repairs this year, and needs some more. However, it has been running pretty well and has been a great asset to the Department. We have been able to respond to accidents and alarms on slippery days in a timely fashion. We have also been able to handle some of the complaints in the wooded areas where we weren't able to before. Remember last year I wrote a grant for the town and was able to acquire this vehicle for $20. This vehicle is the property of the Town of Roxbury.

Contract
This year the Selectmen have asked the Police Department for a contract. Due to the point that we work for the town, and are not a private entity, a contract is not in order. However, we have agreed that a memo of understanding would cover the bases. The Police Department agrees to provide all the police services to the Town of Roxbury for the calendar year of 1996, for the sum of money voted on at the town meeting for the Police Department budget. This also will be renewed each January.

Closing

As in past years, I will again be looking forward to serving you in the upcoming year. I want to thank the townspeople for their help and support in the past year. If anyone has any questions for the Police Department, please feel free to contact me.

Respectfully submitted,
Chief Neal F. Collier
Roxbury Police Department

REPORT OF ROAD AGENT

The year included the usual job of grading all the dirt roads in town. The ditches were cleaned and debris was hauled away. Roadside brush was cut. New wooden posts were placed at all culverts which needed them. This year a large culvert pipe was replaced on the Woodard Pond Road. Part of the Davis Road was shimmed. As usual, tons of trash was picked up along Woodard Pond Road and the church site, and hauled away to the dump. New road signs were placed on the "many" town roads of Roxbury. The fall ended with brush-cutting along the Otter Brook Dam road. Red pine was cut, chipped and hauled away so that the road would be better maintained during the icy winter months.

Article 7: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. Motion carried.

Article 8: To see if the Town will vote to raise and appropriate the sum of $100.00 for a contingency fund. Motion carried.

Article 9: To see if the Town will vote to raise and appropriate the sum of $11,500.00

for summer and winter maintenance. Motion carried. Discussion: Selectmen noted that they will be looking for a supplemental sander. A resident asked that the Road Agent check the hill roads days after a storm for slippery conditions.

Article 10: To see if the Town will vote to raise and appropriate the sum of $248.00 to support the Mental Health Service Program of Monadnock Family and Mental Health Service. Motion carried.

Article 11: To see if the Town will vote to raise and appropriate the sum of $21,330.00 for highway construction and reconstruction. Selectmen's Comment: These funds for expenditure are designated to the Town through the Highway Block Grant Fund. The appropriation does not affect your tax rate, but to be properly expended a vote is required. Motion carried.

Article 12: To see if the Town will vote to raise and appropriate the sum of $300.00 as the Town's planning expenses and its share of expenses for the operation of the Southwestern N.H. Regional Planning Commission. These funds to be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes. Motion carried.

Article 13: To see if the Town will vote to raise and appropriate the sum of $13,675.00 to be paid for dump privileges in the Town of Marlborough. Selectmen's Note: This charge is based on our use of the Dump and the cost to maintain as well as eventually close the Dump. Motion carried. The cost is down, Selectmen explained, because of Marlborough's efficiency in meeting the deadlines and qualifications for closing the dump.

Article 14: To see if the Town will vote to raise and appropriate the sum of $1,500.00 as its fair share of stand-by costs for the use of the City of Keene's Ambulance service. Motion carried. Chief Collier explained that while the standby cost to the Town is lower the actual cost to the user will be raised.

Article 15: To see if the Town will vote to raise and appropriate the sum of $243.00 to support the meals program of the Community Kitchen, Inc. Motion carried. A resident questioned the need for this contribution since the agency is already funded by the United Way. Selectmen explained that it is cheaper to give our share, based on use, to the agency than it would be to give the same aid to the people directly.

Article 16: To see if the Town will vote to raise and appropriate the sum of $175.00 to support the Southwestern Community Services. Motion carried.
Selectmen's note: This sum represents 2% of the funds provided by S.W.C. Services to residents of Pfc.

Article 17: To see if the Town will vote to raise and appropriate the sum of $300.00 for the 1995 graduating Seniors, with these funds coming from the Capital Reserve Fund. Motion carried.
Selectmen's note: Each graduating student will be awarded $50.00 and unexpended monies

would remain in the C. R. Fund.

Article 18: To see if the Town will pass ordinances allowing the Selectmen to enforce regulations if necessary in the following areas:

a. junk cars 94-01
b. install traffic control devices 95-002
c. no parking policy 95-005
d. removal of abandoned vehicles
e. speed limits 95-011

Motion to pass over this article carried.

Article 19: To transact any other business which may come before the said meeting.

Selectmen presented an update on the controversy with Keene over its protest of assessment. Tom Benson said that on March 24 Selectmen will meet with our attorney and the appraiser we have hired. While a resident asked that Selectmen hold an informational meeting for residents to report on their meeting, other residents didn't feel this was necessary. However, Peter Stuhlsatz invited any resident to attend the March 24 meeting.

M.R.H.S. Principal, Dan Stockwell spoke in recognition of David Stuhlsatz, recent winner in the shot put at the 8th Annual N.E. Interscholastic Boys and Girls Indoor Track and Field Championships held at Harvard University.

A resident of Houghton Ledge Rd. asked Selectmen for any information they might receive regarding the Rt. 9 road construction.

The Town Clerk spoke of the loss of two Town residents who had been good stewards of the land, preserving its rural character, Sarah Gilcreast and Judith Taves. The mown fields and stone walls on Horse Hill Rd. where Sarah Gilcreast lived, give us a view into the 18th century. And the several tracts of land, which Judy Taves donated to the Society for the Preservation of N.H. Forests, will be there for future residents to enjoy.

The Selectmen on behalf of the Town thanked Richard Whipple for his 22 years of service to the Town as Selectman. Dick retired last summer and the Selectmen appointed David Gregory. Dick has been very helpful in the transition period especially with preparing this year's budget and being on call to answer questions. We wish him a well deserved retirement but are glad he's nearby.

Fire Chief, Dick Donohue, said that next year he will ask the Selectmen to place on the budget money to buy an ATV so he will have more access to the woods. Selectmen spoke in favor of this as Dick has been using his own vehicle at no charge to the Town.

Residents again enjoyed a Pot Luck supper before the meeting.

Meeting was adjourned at 9 p.m.

Respectfully submitted,
Marika Stuhlsatz, *Town Clerk*
